

CIA

Updated List of Support to PFIAB - As of 7 March 1983

- Held in abeyance: (1) a written request from Carol Patrick for comments on CIA's CI capabilities; and (2) an oral request from Fred Demech for advice on how to get a new status report on Agency actions to implement the PFIAB study on [redacted]

25X1
25X1

- Anne Armstrong requested that CIA and Defense prepare a review of the implications of on-site inspections for START verification.

- Received memorandum from Judge Clark, in response to DDCI letter on what Agency plans to do on [redacted] advising that the President is concerned about these activities and wants PFIAB to continue its review in cooperation with CIA.

25X1

- Received NSC request for an NIE on Soviet defense spending which was to be prepared with PFIAB participation.

- We are in the process, at PFIAB request, of polling the Intelligence Producers Council to find out what each agency of the Intelligence Community is doing re concealment and deception.

25X1

- Demurred to request from Fred Demech to provide John Foster a two-page paper on our plans for [redacted] until, at minimum, terms of reference have been circulated in Community and approved by the DCI.

25X1

- Office of Security looked at offices of Dr. Alan Greenspan and Mr. Peter O'Donnell to determine whether or not they would meet classified material storage criteria; they will but PFIAB was informed that classified material should remain in Washington or under [redacted] in the U.S. field.

25X1

- Provided 12 classified and one unclassified document on the Soviet Union to [redacted] for PFIAB/Commerce consultants and for 5 consultants to review at PFIAB's Washington office.

25X1

- Denied request from Commerce consultants (Soviet economy study) for the reports of the DCI's Military-Economic Advisory Panel because they were prepared in confidence and could affect consultants' objectivity.

SECRET

- Confirmed clearances for 13 Department of Commerce consultants working on study of Soviet economy.

- Processed approximately half of 144 documents for Commerce consultants (Soviet economy study) and pouched to [] offices. Began clearance on balance which carry ORCON control.

25X1

- Briefed John Foster's task force re concealment and deception and NIO/SP and [] provided Foster a summary on what is being done on NIE 4/11-83 ("U.S. Abilities to Monitor Soviet Strategic Offensive Force Limitations") re concealment.

25X1

- DD/NPIC briefed PFIAB on the CCD Technical Review Group.

- DCI met with Secretary Shultz, Anne Armstrong, et al, with regard to PFIAB's concern over the employment of Soviets in Embassy Moscow.

- Office of Security representatives briefed John Foster, PFIAB Member, re defensive measures used to prevent Soviet penetration of our Embassy in Moscow. Demurred to request for briefing by []

25X1

- C/CCIS/ICS met Martin Anderson, Chairman, Counterintelligence Panel of PFIAB, re report to be incorporated into the Board's semi-annual report to the President.

- Reviewed TCS document (letter from DCI to Chairman Barry Goldwater, Senate Select Committee on Intelligence, re Edward Jay Epstein's article in Commentary, "Disinformation: Or Why the CIA Cannot Verify an Arms Control Agreement") and advised that it could not be sent to consultant in California.

25X1

- D/OGI provided indexes of the "International Economic and Energy Weekly" to Leo Cherne, Vice Chairman, PFIAB.

- Provided Carol Patrick, PFIAB staff, a list of five recommendations of the IG(CI) with regard to limiting Soviet presence in the U.S. for Anne Armstrong, Chairman, PFIAB.

25X1

SECRET

- Forwarded Secret publication "Global Implications of a Possible Oil Price Decline" to [] for review by Peter O'Donnell, PFIAB Member.

25X1

25X1

- Received PFIAB report on international banking and financial problems and the U.S. Government's response to them.

- Provided Secret Memorandum, Subject: "DDI Initiatives on International Financial Issues;" "The Global Implications of a Possible Oil Price Decline;" and "The International Financial Report," #1 and #2, for Martin Feldstein, PFIAB consultant and member of the President's Council of Economic Advisors, per the request of Leo Cherne.

- Provided two copies of "Soviet Spending for Defense: Trends Since 1951 and Prospects for the 1980s."

- Provided C/NIC's December testimony on Soviet economy for PFIAB consultant Ed Hewitt.

- Provided to Fred Demech, Deputy Executive Director, PFIAB, copies of OSWR cable on enigmas.

25X1

- DDI provided copy of his 13 January 1983 remarks to DDI analysts to Fred Demech.

25X1

- Provided four copies of "The Directorate of Intelligence Research Program for 1983" to Norm Wood, Executive Director, PFIAB.

- Answered Randy Fort's questions re the "Ogden Group" (N.Y. economic study group) and why analysts visit New York.
